Issue XXVI – 4

EXCITING FIELD DAY AT CAPITOL VIEW VINEYARDS – June 26, 2023 – Don't Miss it!

Don't miss this great opportunity and be sure to attend the first Field Day of this growing season, a collaboration between the University of Nebraska Viticulture Program (UNVP) and the Nebraska Winery and Grape Growers Association (NWGGA)!

WHEN? Monday, June 26, 2023 – 8:30 coffee and registration

WHERE? Capitol View Winery & Vineyards
2361 Wittstruck Road
Roca, NE 68430

WHAT? A Field day with the following topics:

- Overview of the UNVP's Vinifera High Tunnel Project (what worked? what did we learn?)
- Comparison of Ed Swanson's 'Merchette' grown in the high tunnel vs in the field
- A discussion with Ed Swanson about his most advanced breeding selections
- Review of Early Summer Vineyard Tasks
- Disease Management
- Understanding the Eichorn-Lorenz phenology chart (copies provided)
- Discussion of Capitol View's vineyards and winery operations

How can you register?

Email pread1@unl.edu or sgamet@unl.edu, or call Paul at 402-540-9309 or Steve at 402-416-9763. Registration fee is \$10 and can be paid at the site, but **we need your help in pre-registering to enable lunch planning (Lunch is included in registration fee).**

We'll look forward to seeing YOU at Capitol View on June 26th Cheers!

Pre-bloom to Post –Bloom Disease Management

Here is a link provided by Joe Fiola, University of Maryland Viticulturist (Joe is really "on the ball" and his advice is timely because Maryland vineyards are usually a week or two ahead of Nebraska Vineyards.)
